Rounding Out the Double-Coated Category

NEW! Double-Coated Polyester Tapes

Intertape Polymer Group (IPG) is rolling out a complete line of double-coated tapes with a range of performance options and adhesive technologies to satisfy even the most demanding applications.

APPLICATION AREAS ***Laminations • Gaskets*** ***Extrusions • General Converting***

Intertape[®] Double-Coated Polyester Tapes offer a clear cut advantage – improved profitability! This is achieved through the combination of a thinner backing, aggressive adhesives and a heavy duty liner.

The combined performance properties lead to:

- **Ease of handling to reduce processing time (Converter friendly)**
- **Better die cutting performance to reduce scrap & increase yield**
- **Less breakage to maximize production efficiencies**
- **Conformable, yet stable, performance**
- **High initial tack that continues to build over time**

NEW! Double-Coated Polyester Tapes

Using the adhesive compounding expertise from IPG, the following products provide a range of performance:
