PROTECTIVE PACKAGING SOLUTIONS
ANGLEGUARD™ EDGE AND STRAP PROTECTORS

Providing protective packaging

EDGE PROTECTORS

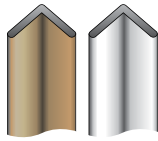

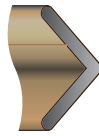

- Prevent Load Shifts
- Strengthen Pallet Stacking
- Improve Safety
- Superior Edge Protection
- Fully Recyclable
- Full Overlap
 - Added Security & Strength
 - Cleaner Appearance
 - Prevents Delamination

IPG® ANGLEGUARD™ brand edge protectors offer pre-cut edge protectors in a variety of lengths for shipping standard skid or package sizes. ANGLEGUARD™ edge protectors provide the extra strength and load stability to ensure superior edge protection during product shipment. To avoid costly damage to the contents inside individual cartons during shipping and handling, ANGLEGUARD™ edge protectors can be placed against the inside corners of a box to increase internal carton strength.

g solutions is our commitment

STRAP PROTECTORS

- More Paper Fiber In The Bend
- Prevent Crush Damage
- Superior Strapping Tension
- Increase Stability
- Economical And Effective Packaging Solutions

Strap protectors are a smaller version of ANGLEGUARD™ edge protectors. Strap protectors are bulk package strap protectors that are manufactured to a higher standard allowing the uniform shape and sizing required for automated application systems for your contained packages. Targeted edge protection prevents the damage that may be caused by cargo straps during the shipping and storage of stacked products and pallets.

CORPORATE PROFILE

Intertape Polymer Group Inc. (IPG) is an acknowledged leader in the packaging industry. Leveraging its advanced manufacturing and technologies, extensive research and development capabilities and a comprehensive strategic acquisition program, the company believes it has assembled the broadest and deepest range of products in the industry. IPG is widely recognized for its development and manufacture of specialized polyolefin, plastic and paper-based packaging products, as well as complementary packaging systems for industrial and retail use. Additionally, IPG is a woven and flexible intermediate bulk container (FIBC) manufacturer. Its performance products, including tapes and cloths, are designed for demanding aerospace, automotive and industrial applications and are sold to a broad range of industry/specialty distributors, retail stores and large end-users in diverse industries.
