

## Intertape Polymer Group Inc. Amends Credit Facilities

**Montréal, Québec and Bradenton, Florida – August 8, 2007** – Intertape Polymer Group Inc. (NYSE, TSX: ITP) (“IPG” or the “Company”) today announced that it has executed definitive documentation to amend its credit facilities, in a manner which will provide IPG with the flexibility needed to meet certain of its financial covenants under the credit facilities.

The amendments to the credit facilities permit the add back of certain one-time charges incurred in connection with the proposed acquisition of all the common shares of the Company by an indirectly wholly-owned subsidiary of Littlejohn Fund III, L.P., and the strategic alternatives process.

The Company’s credit facilities as amended will permit IPG to exclude from the calculation of its consolidated earnings before income taxes, depreciation and amortization (“EBITDA”) up to \$6.5 million in charges related to the proposed sale and strategic alternatives process, as well as the costs associated with the amendment of the credit facilities, all of which are expected to be taken in the fiscal quarters ending December 31, 2006, March 31, 2007, June 30, 2007 and September 30, 2007.

In connection with IPG’s request for the modification of its credit facilities, the Company has confirmed to its lenders that it will apply the net proceeds from the issuance of common shares pursuant to the Company’s recently announced rights offering to reduce the Company’s indebtedness under the credit facilities and that the rights offering process will be completed within sixty days.

Melbourne F. Yull, Executive Director, stated “IPG appreciates the support of its Lenders and their continuing confidence in the Company by approving these amendments.”

### Safe Harbor Statement

*Certain statements and information included in this release constitute forward-looking information within the meaning of applicable Canadian securities legislation and the United States Federal Private Securities Litigation Reform Act of 1995. Forward-looking statements may relate to the Company’s future outlook and anticipated events, the Company’s business, its operations, its financial condition or its results. Particularly, statements about the Company’s objectives and strategies to achieve those objectives, are forward-looking statements. While these statements are based on certain factors and assumptions which management considers to be reasonable based on information currently available to it, they may prove to be incorrect. Forward-looking information involves known and unknown risks, uncertainties and other factors which may cause the actual results, performance or achievements of the Company to be materially different from any future results, performance or achievements expressed or implied in such forward-looking statements. These forward looking statements include unknown risks and uncertainties, including the results of the rights offering by the Company and the Standby Purchase Agreements, disruption of normal management and business operations as a result of these activities, reliance on key personnel who may separate from the Company due to general attrition or due to uncertainties created by these activities, whether a new chief executive officer will be identified and appointed, and such other matters as contained in the Company’s filings with Canadian securities regulators and the U.S. Securities and Exchange Commission. Therefore, future events and results may vary significantly from what management currently foresees. You should not place undue importance on forward-looking information and should not rely upon this information as of any other date. While the Company may elect to, it is under no obligation (and expressly disclaims any such obligation) and does not undertake to update or alter this information at any particular time.*
