

Intertape Polymer Group Announces Voluntary Delisting of its Common Stock from the NYSE

MONTREAL, QUEBEC and BRADENTON, FLORIDA – November 12, 2009 — Intertape Polymer Group Inc. (TSX: ITP) (NYSE:ITP) (“Intertape” or the “Company”) announced today its intention to voluntarily delist its shares of common stock from the New York Stock Exchange (the “NYSE”). The Company’s shares of common stock will continue to trade on the Toronto Stock Exchange (the “TSX”). The delisting of the Company’s common shares from the NYSE will not affect the listing of the Company’s shares of common stock on the TSX.

The Company believes that the listing of its shares of common stock on the TSX provides shareholders sufficient liquidity and has concluded that the overall trading volume of the Company's shares is not sufficient to justify listing on two exchanges. Therefore, the Company has decided to voluntarily delist its shares of common stock from the NYSE.

The Company delivered notice today to the NYSE that it intends to delist its shares of common stock. As disclosed in the notice, the Company expects to file a notification of removal from listing on the NYSE on Form 25 with the U.S. Securities and Exchange Commission (“SEC”) on or about November 23, 2009. The withdrawal of the Company’s shares of common stock from listing on the NYSE should be effective 10 days after the filing of the notice on Form 25 with the SEC. Accordingly, the Company anticipates that the delisting will take effect on or about December 3, 2009. Following delisting, the Company will continue to file or furnish reports with the SEC.

The Company will comply with, and continue to be subject to, the federal laws of Canada, the jurisdiction in which the Company is incorporated, as well as Canadian securities laws and corporate governance rules applicable to Canadian publicly listed companies, including the rules of the TSX.
